## TOP TEN COUNTRIES

Spain	353	42,84%
France	118	14,32%
Germany	80	9,71%
Portugal	60	7,28%
Turkey	57	6,92%
Poland	47	5,70%
Russia	40	4,85%
Belgium	24	2,91%
Brasil	23	2,79%
Romania	22	2,67%

# General information

All general and practical information for exchange students is published on the following main webpage

- [Exchange students and Erasmus Mobility](#)
- [Handbook for incoming exchange students](#)
- [Academic Glossary](#)

Coronavirus Measures:

- [Coronavirus: updates for UniTO Community](#)
- [List of pharmacies with antigenic tests services at reduced prices for students](#)

**Tip:** Please check Unito webpage regularly to be up-to-date with exchange procedures

# General information

- **Infopoint** to register your arrival date, collect your certificate of arrival and have your University paperwork signed: <https://en.unito.it/about-unito/infopoint>
- Get your **EDISU CARD** at EDISU office by bringing your certificate of arrival with you
- Get your **MyUnito account** activated (for both in-person and distance mobility)

# Contacts:

International  
Affairs

University  
of Torino

## Administrative queries (exchange procedure and paperwork):

- **INTERNATIONAL EXCHANGE OFFICE**

Email: [internationalexchange@unito.it](mailto:internationalexchange@unito.it)

Tel: +39 0116704425 Monday-Friday from 2:00 pm to 4:00

## Academic queries:

- **INTERNATIONAL OFFICE – HUB OF SCIENCE OF NATURE**

Email: [international.sciences@unito.it](mailto:international.sciences@unito.it)

Tel: +390116704129 – 2467 – 2472

- **DIDACTIC MANAGER: Elena Mazzi and Edoardo Calabrò**

Email: [elena.mazzi@unito.it](mailto:elena.mazzi@unito.it); [edoardo.calabro@unito.it](mailto:edoardo.calabro@unito.it)

Tel: 0116704585; 0116704584

- **Your BUDDY** for everything else!!

Email: [buddy.sciences@unito.it](mailto:buddy.sciences@unito.it)

# International Board:

International  
Affairs

University  
of Torino

Professor Alessandra Fiorio Pla  
Professor Daniel Edward Chamberlain  
Professor Ivan Norscia  
Doctor Barbara Moggetti  
Doctor Samuele Voyron  
Professor Enrica Pessione  
Doctor Luca Pietro Casacci  
Doctor Valeria Torti  
Doctor Eleonora Dallorto

# Scienze della Vita e Biologia dei Sistemi

Il Dipartimento si colloca in più punti del tessuto cittadino: scopri dove siamo

(c) Patrizia Figa

## Who are we?

**Our Department carries out teaching and research in biology, environmental sciences, biotechnology and health – i.e. a broad range of biological disciplines from the sub-cellular levels to communities and ecosystems:**

- Anthropology
- Archeology
- Biochemistry
- Botany
- Comparative anatomy
- Ecology
- Hygiene
- Molecular biology
- Microbiology
- Plant physiology
- Physiology
- Zoology

## Who are we?

- 14 Full Professors
- 34 Associate Professors
- 29 Assistant Professors
- 41 Technicians
- 17 Post-docs
- 24 PhD students
- Numerous others....

## Degrees

### *Bachelor level:*

**Biological Sciences**  
**Natural Sciences**  
**Sports Science**

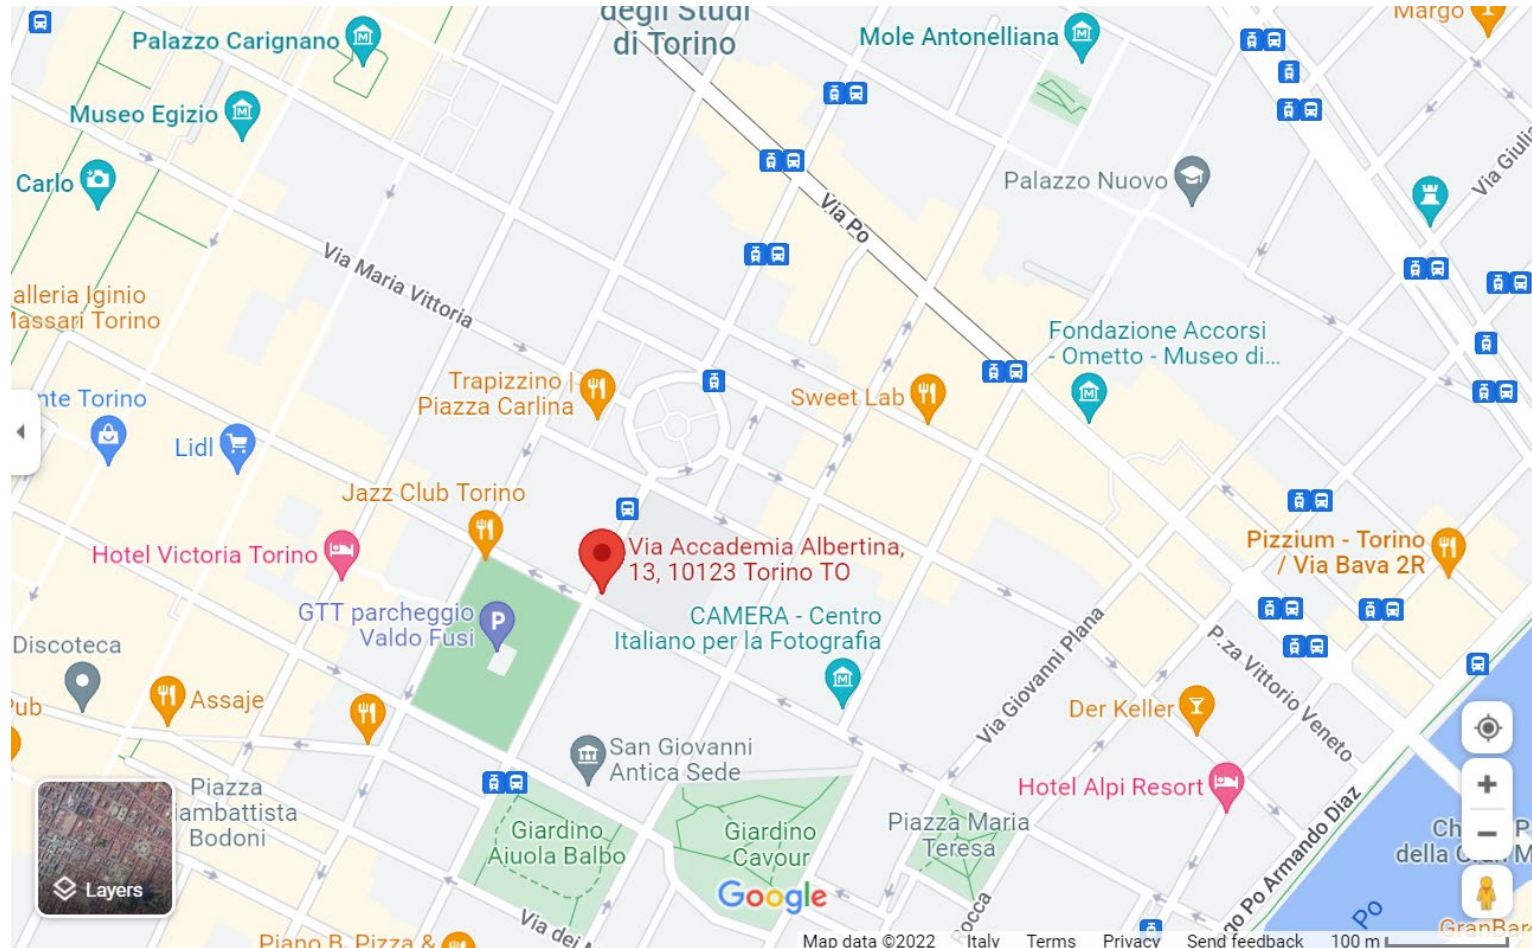

### *Masters level:*

**Cellular & Molecular Biology**  
**Environmental Biology**  
**Industrial Biotechnology**  
**Natural Systems Science**  
**Animal & Human Evolution & Behaviour**  
**Food Science & Nutrition**

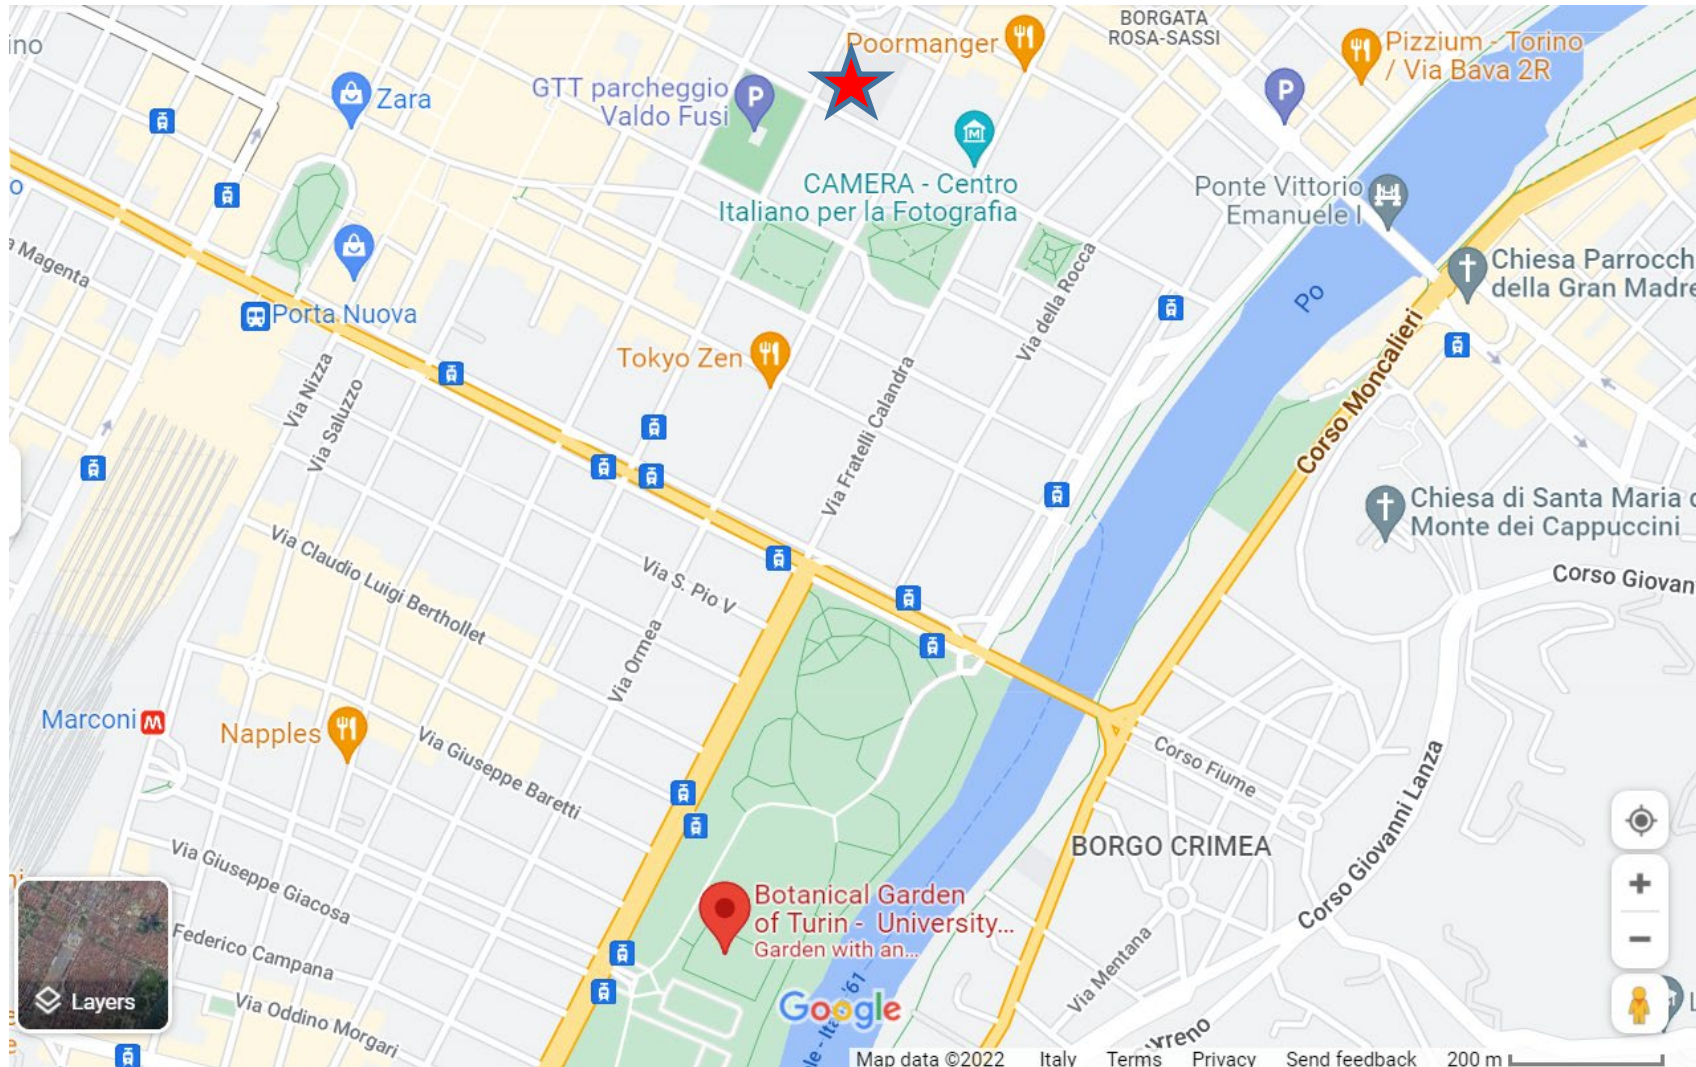

# Where are we?

**Via Accademia Albertina 13 – the main DBIOS building**

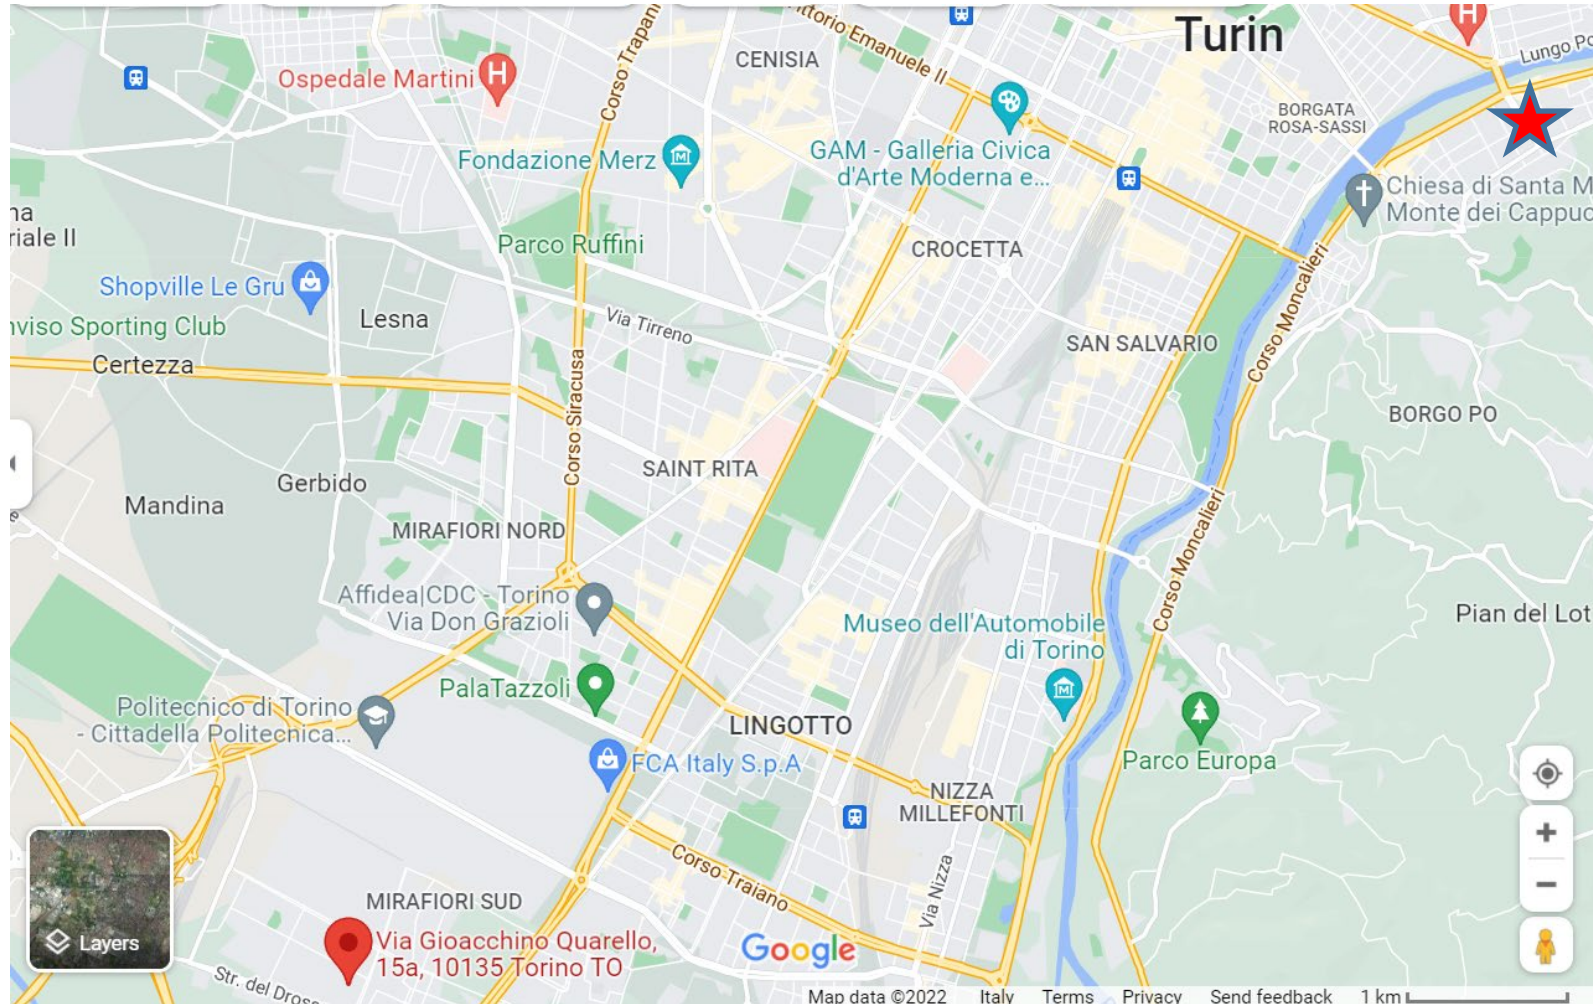

**Orto Botanico, Viale Mattioli 25 – botany and related subjects**

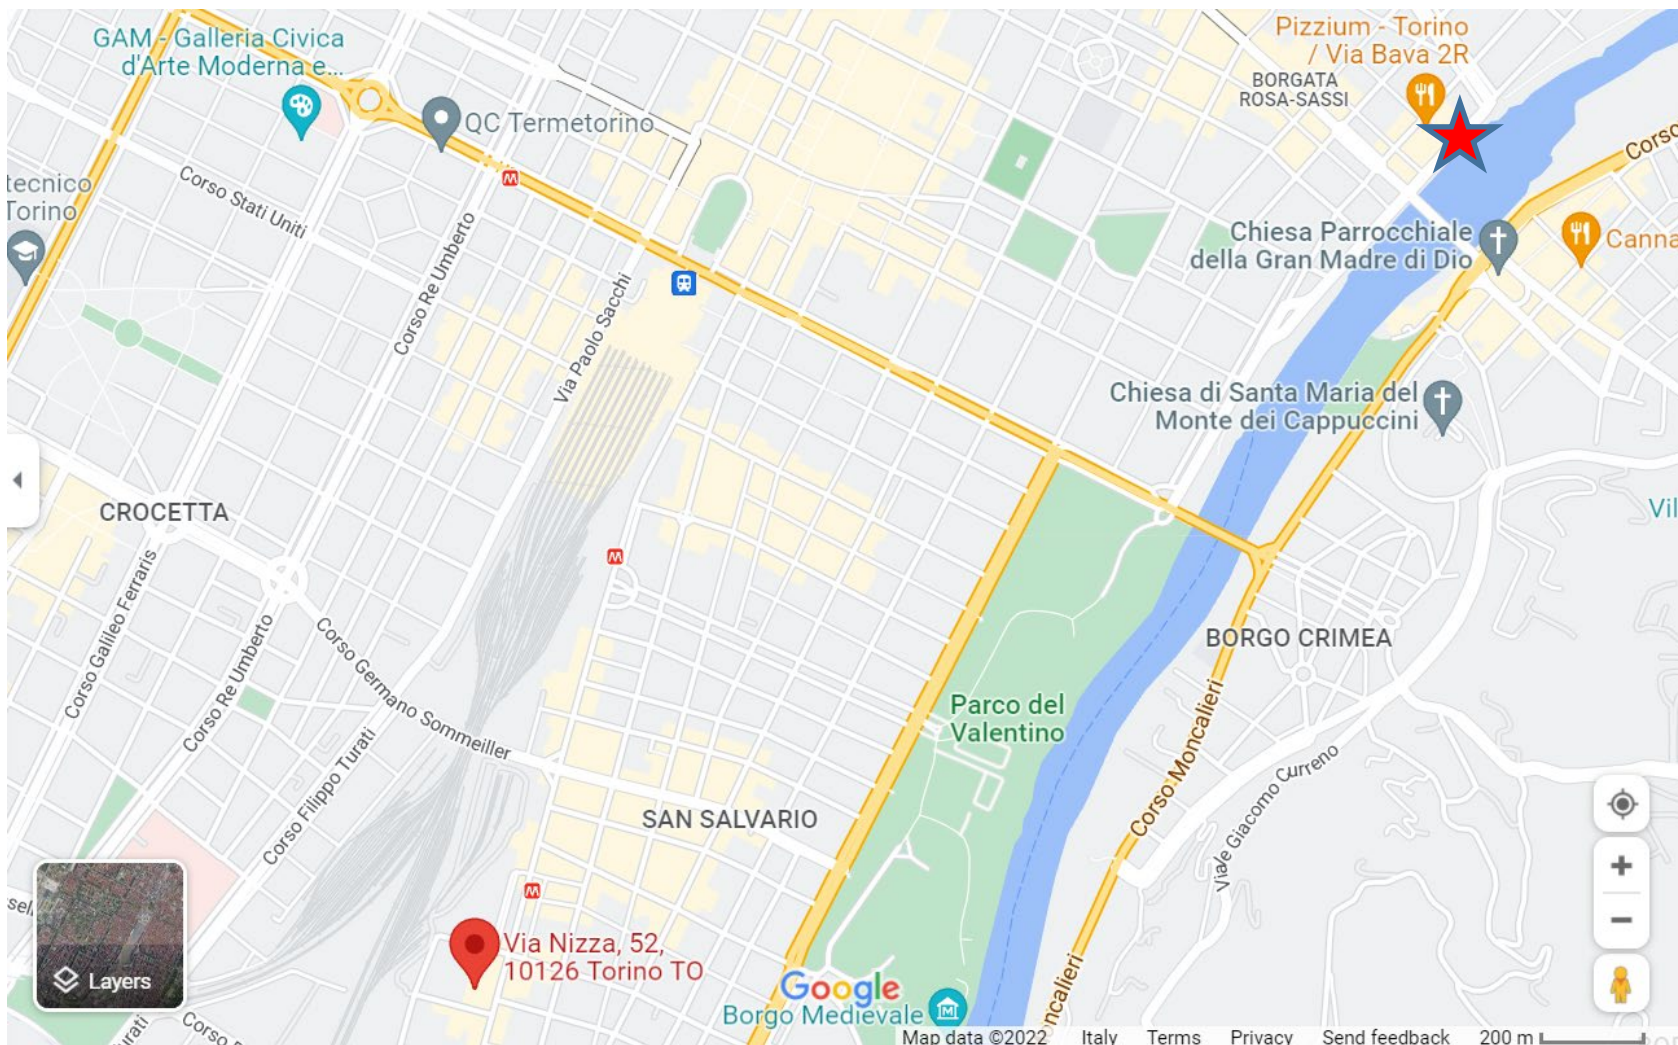

**Via Quarello, 15/A – plant physiology**

International  
Affairs

University  
of Torino

**Via Nizza 52– Molecular Biology Centre**
